

## Germany

### DST - Development Centre for Ship Technology and Transport Systems

 Oststrasse 77  
47057 Duisburg  
 Cyril Alias  
 +49 203 99 369 52  
 alias@dst-org.de  
 www.dst-org.de/en/danube-logistics

Danube logistics promotion centres are national contact points providing free of charge and neutral information on Danube logistics for

- Cargo owners and other potential users of inland waterway transport
- Port and terminal operators
- Shipping companies and ship brokers
- Forwarding companies with inland navigation in their service portfolio

The public contact points provide information & services on

- **Danube navigation:** Advantages and possibilities of Danube navigation
- **Fairway:** Water levels, navigation conditions, lock status, traffic information etc.
- **Ports & Terminals:** Contact data, handling and storage facilities, companies operating in the Danube ports
- **Shipping and forwarding companies:** Contact data, transported cargo, served countries
- **Funding schemes:** National and European funding opportunities
- **Market opportunities:** Promising markets for inland waterway transport
